

DELEGATE UNIT WITH LONG MICROPHONE

TS-999-DU Q5

DESCRIPTION

The TS-999-DU is a Delegate unit for TOA Conference system, of which compact and lightweight design makes it easy to install and store. Placing the speech button in the ON position permits speech and disables the speaker to prevent feedback. If the speech button is placed in the OFF position, the microphone cannot be used but the speaker is turned on, allowing the voices from other conference units to be monitored.

The TS-999-DU Delegate unit come with a long microphone as standard accessory.
